

United States Expansion (Land Acquisition) Map

Label each numbered region on the map and complete the chart on the back explaining the details of how each area became part of the United States.

Source: Robert A. Divine et al., *America: Past and Present*, Scott, Foresman (adapted)

Region number	Name of the region or territory	From whom did we acquire the region	How did we acquire the region? If a war was involved, which one? Treaty?	When did we get the land? (date)	What did the region cost the U.S.? (not always \$\$)	At the time it was acquired, why did we want it? (Manifest Destiny is not enough.)
1					Lives lost in the war, huge debt	
2						To avoid a war with France over the Port of New Orleans
3	Florida Cession			1819	N/A	
4		Texas				
5			Deal to split Oregon in half (Treaty of 1846)			Rich land
6						
7
